Newsletter Wednesday, 13th June 2018

Dear Parents,

As we head into our last term of this school year, we begin to think about the next school year and we can now inform you of the classes children will move to next year.

Classes for next year will be as follows :

Reception Classes

Please see the separate letter placing your child into a class group.

1 AC/SB will move up to 2 HJ/JoB (Mrs. Johnson & Mrs. Blackbourn)

1HP will move up to 2 KL/JB (Mrs. Llewellyn & Mrs. Blom)

2JHJ/JoB will move up to 3DT (Mrs. Towers)

2KL/JB will move up to 3FC (Mrs. Crampton)

3DT will move up to 4CD (Mrs. Dark)

3FC will move up to 4AW (Mrs. Whittaker)

4CD will move up to 5JW (Mrs. White)

4AW will move up to 5MB (Mrs. Baxter)

5JW will move up to 6HS (Mrs. Stray)

5MB will move up to 6NC (Mr. Crick)

Children will be having some transitions days on Friday 29th June, Friday 6th July and Friday 13th July when they will be able to spend time with their new class teacher and this will help to ensure the transition goes smoothly.

New contact information forms

On the last day of term we sent home an envelope full of forms as we help us change our systems to comply with the new GDPR regulations.

As we explained in the letter we are aware that the computer print out we have sent home may be out of date as up until now we have used our paper contact forms as our up to date information, so we would be grateful if you can update the information sent before half term, including updating/adding information for both parents, plus other contact information for those who we can contact if we cannot get hold of you if your child is unwell.

A revised Photography permission policy and permission was also sent. **Please return both forms if you have not already done this as soon as possible.** Thank you.

Sports Day – Tuesday 3rd July

Key Stage 2 will be taking part in the morning from around 9.15p.m. and Key Stage 1 / Reception from around 1.15p.m.

Weather permitting we will be allowing parents to stay over lunchtime for a “family picnic”. This will mean that parents and children can picnic together on the school field. However, if the weather is not suitable to picnic outside we will not be able to accommodate everyone inside which will mean that parents will need to vacate the school over lunchtime. To aid organisation please ensure that children come to school with their lunch in the morning so that we are not having to chase up lunches if the picnic is cancelled.

Please remember that the hot school meal menu for Sports Day has been changed to a picnic selection, so children will be able to collect their food and join parents.

During the day the Friends of the School will be serving refreshments from the bandstand.

Year 1 Trip to Belton House

Last Friday Year 1 enjoyed a visit to Belton House near Grantham as part of their learning in history about life in the past. They enjoyed a tour of the house and the chance to try on various clothes and costumes from the past, both those of the servants and the wealthy residents of the house.

Sending Money and Forms Into School

Our school reception area can often get quite busy and sometimes people have to wait quite a while just to drop off a form or some money. We now have a box in the entrance for you to put forms and money in.

In addition we can often get into quite a muddle with money when it is not in an envelope. Please could you ensure that all correspondence which includes money (whether put into the new box or handed in to the office) is placed in a sealed envelope and that this is labelled with the child's name, class and an indication of the contents e.g. "Kid's Club". Whilst we get used to the new system we will have envelopes available at reception.

Many thanks.

Music Tuition for next year

Letters regarding music tuition for next year for Key Stage 2 (the current years 2,3,4 and 5) are coming home tonight. If you wish to sign your child up for music lessons please complete the booking form and return by Wednesday 27th June.

Anyone for tennis?

Last week members of Spalding Tennis Club came along to school to talk to the children about tennis and encouraging them all to have a go. We are going to be including tennis in our sports here at school but the Tennis Club will soon be having an open day when all are welcome to go along and try.

On Sunday 22nd July the Club will be joining the Great British Tennis Weekend event and this will be a day offering the chance to try tennis for free – rackets and balls will be provided and whether you have never picked up a racket before or are a seasoned regular – all are welcome.
