Newsletter Wednesday, 6th June 2018

Dear Parents,

Welcome back after our break and we look forward another busy and exciting term!

New contact information forms

On the last day of term we sent home an envelope full of forms as we help us change our systems to comply with the new GDPR regulations.

As we explained in the letter we are aware that the computer print out we have sent home may be out of date as up until now we have used our paper contact forms as our up to date information, so we would be grateful if you can update the information sent before half term, including updating/adding information for both parents, plus other contact information for those who we can contact if we cannot get hold of you if your child is unwell.

A revised Photography permission policy and permission was also sent. **Please return both forms if you have not already done this by Monday 11th June.** Thank you.

Sending Money and Forms Into School

Our school reception area can often get quite busy and sometimes people have to wait quite a while just to drop off a form or some money. We now have a box in the entrance for you to put forms and money in.

In addition we can often get into quite a muddle with money when it is not in an envelope. Please could you ensure that all correspondence which includes money (whether put into the new box or handed in to the office) is placed in a sealed envelope and that this is labelled with the child's name, class and an indication of the contents e.g. "Kid's Club". Whilst we get used to the new system we will have envelopes available at reception.

Many thanks.

After School Activity Clubs for next Term

After School Activity Clubs for this term have started back this week and will run up to Friday 13th July.

Learning About Prayer

This year in collective worship children have been more involved in writing and saying prayers. To help children understand more about prayer children who take part in collective worship in Years 3, 4 & 5 are taking part in a short 30 minute session that will help them to think about prayer. These sessions are being provided by Kingsgate Community Church and will take place next Tuesday, 12th June.

You are invited to come along and see what your child has been doing – please come over to the Church after you have collected your child at the end of the day.

Class Photos

The proofs of the recent class photos are coming home tonight – please return orders to school by next Wednesday.

Sporting Activities

Cricket Tournament

Our sporting tournaments have started already this term with 2 cricket teams from Year 6 taking part in a local schools tournament at Spalding Grammar School. They all got the chance to play against other schools with one of the teams playing brilliantly and coming 3rd in the tournament.

Allotment Stall

Last night our gardeners held another successful stall of surplus plants and produce.

Friends of School

Our Friends of School will be having a meeting tonight at school at 6.30pm. All welcome.

Friends of School Emails – due to the new Data Protection regulations everyone needs to confirm that they wish their email details to be held by the Friends of School to receive the regular news updates and information – please reply to the recent email sent out by Gemma to confirm this and to continue receiving emails.

HOT SCHOOL LUNCHES

Menus are now online to book for Term 6.

Please book hot meals for week commencing 18th June must be booked by midnight tomorrow.
