

# Year 2 Information

## PE days

In Year two we have indoor and outdoor PE lessons throughout the year so children will need the following PE kit:

- plain white PE T-shirt
- navy/black PE shorts
- plimsolls
- long sleeved navy/black sweatshirt top
- black/navy tracksuit/jogging bottoms (not leggings)
- trainers

Both classes have PE lessons on Mondays and Fridays. If children have long hair, this needs to be tied back for safety reasons and any child with earrings will need to be able to remove them independently or come to school without them in on those days.

## Other Useful items to keep in school

- Spare socks to keep in PE bags (especially girls if they wear tights in the winter).
- Spare underwear in case of accidents.
- An old T-shirt or large shirt for 'messy' activities.
  
- At certain times of the year we will ask children to bring some wellington boots to school for use in the allotment and for outdoor learning activities. If you do not have any wellies, a pair of old shoes will be fine.

## Shoe Boxes

In the summer term, we do two different projects in school that each require a shoe box. If you do have any shoe boxes at home, please hold onto them until Term 5 when we will send a message out for them. I'm afraid we do not have the space in school to store lots of shoe boxes during the year.
